  - Users must use their HARP ID in order to login to MAT
  - The first time an existing MAT user logs into the MAT, they must link to their HARP Account
  - MAT Account profile data will be managed within HARP with the exception of CQL Editor settings
  - New MAT User Registration is a new streamlined process with a new entry form
  - MAT Account ‘Forgot User / Forgot Password’ functions are managed by HARP
MAT Public Facing Website
Public Facing MAT Site

The MAT Public Facing Site has been enhanced:

- New MAT User Registration uses a new online form, accessed from the New User Registration button
  - Replaces the printed, notarized form
- The MAT User Guide has been updated to reflect HARP usage
- Users must have a HARP ID prior to requesting a MAT Account
New MAT Users:

New MAT Users must create a HARP Account before registering for a MAT Account:

1. Go to https://harp.qualitynet.org/register and complete the registration form to create a HARP account.
2. To create an account, users must enter their profile information, account information, and successfully complete proofing (identify verification). HARP uses a third-party service provided by Experian to verify user identities. To complete account setup, users need to log into HARP and set up two-factor authentication.
