Scheduled Release 06/16/2020

June 16, 2020

The MAT Bonnie Team
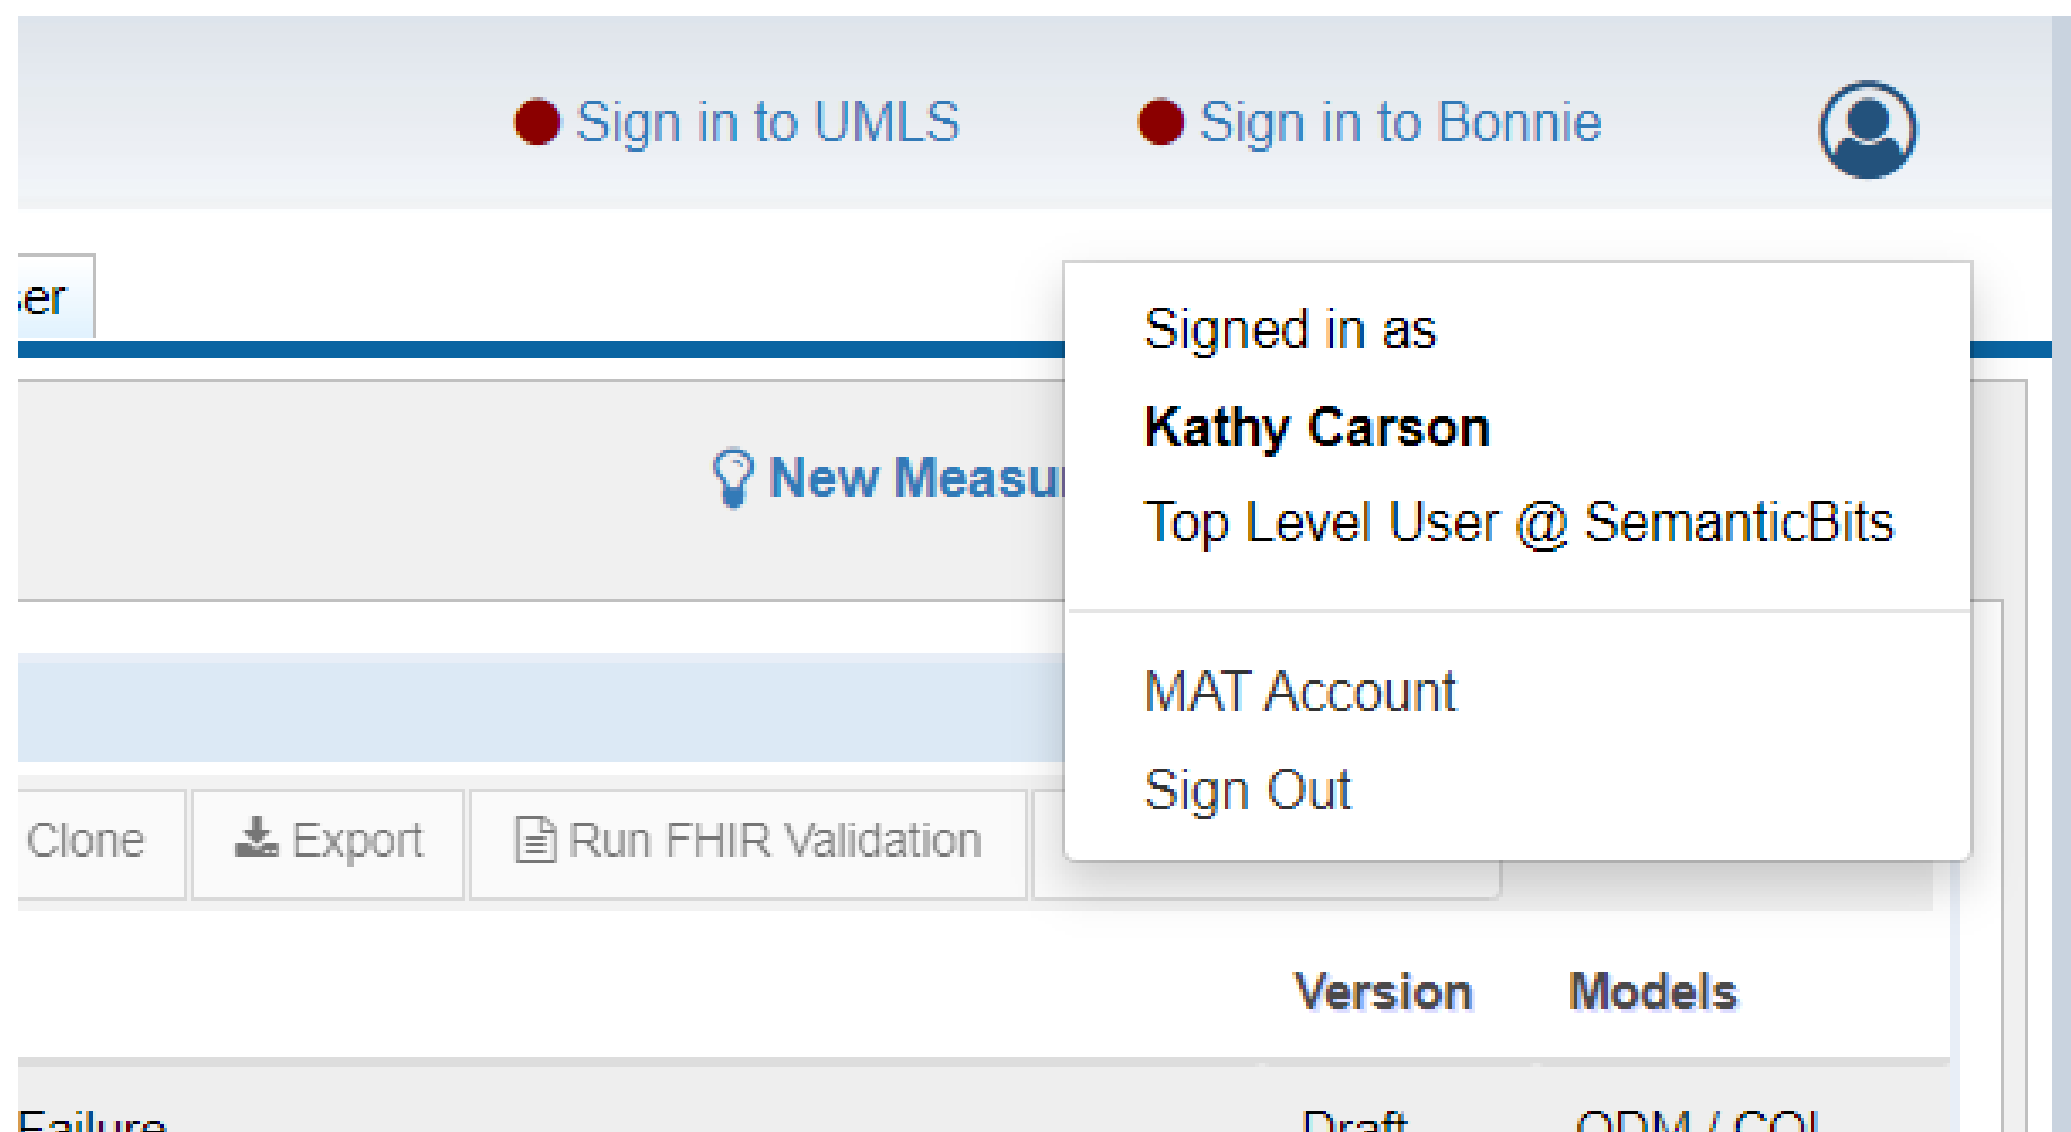

.01
Production MAT 5.91

Release Date: June 16, 2020

Production MAT Release Notes

The Production MAT release contains the following:

- Allow MAT administrators to link more than one MAT User account to a single HARP account.

  → Allows MAT users to support more than one organization.

  → Users supporting multiple organizations have new menu to select correct User/Organization.

  → Users with one MAT account will not see the new account menu but will see a new display of

  their role and organization in the account menu.

Production MAT Release Notes

The Production MAT release contains the following:

- Work Arounds for HARP challenges:

  → LINK page not always displaying to link HARP and MAT User.

  → Automatically navigate user to HARP Support page if HARP login tokens can't be retrieved.

  → HARP Uses middle name for multiple purposes. Improve name retrieval for consistent results.

Production MAT Release Notes

The Production MAT release contains the following:

- ONC Jira Ticket: https://oncprojectracking.healthit.gov/support/browse/BONNIEMAT-646

    → Corrected a defect where all definitions used were not being included in the Human Readable output.
