MAT 6.01 QDM and MAT 6.01 FHIR Updates Oct 20, 2020

UMLS (VSAC) Login Change, When Signing in from the MAT

- You will now use your VSAC API Key to log into UMLS from within the MAT.

UMLS (VSAC) Login Change, When Signing in from the MAT

- Enter the VSAC API Key to log into UMLS from MAT rather than username and password.

The screenshot shows a dialog box titled "Please sign in to UMLS" with a close button (X) in the top right corner. Below the title bar, there is a section labeled "API key" with a text input field containing the placeholder text "Enter UMLS API key". Below the input field, there is a label "Where is my key?" followed by a blue link "Show Instructions" with a right-pointing triangle icon. At the bottom of the dialog, there are two buttons: a green button labeled "Connect to UMLS" and a red button labeled "Cancel".

QDM Defect Corrections Included in this Release:

- Corrected the inability to add a direct reference code to CMS146
- ONC Jira: <https://oncprojecttracking.healthit.gov/support/browse/BONNIEMAT-694>
 - Measure Set ID is now included in the xml files
- HTML Human Readable file includes reference data
